## Washington Youth Garden at The US National Arboretum

### **OUR MISSION**

Washington Youth Garden nurtures curious minds and healthy bodies by connecting youth to food, the land, and each other. Washington Youth Garden is a program under the 501c3 Friends of the National Arboretum with support from the U.S. National Arboretum.

### **OUR HISTORY**

Washington Youth Garden (WYG) at the U.S. National Arboretum (USNA) was established in 1971 by D.C. Department of Parks and Recreation. In conjunction with the Washington Youth

Garden Council, WYG was created to teach children horticultural skills and environmental awareness, as well as life skills such as team building and personal responsibility. It was one of many youth gardens created in that era and is one of only three original youth garden sites operating today. Today, after forty-five years of service, Washington Youth Garden continues to expand our community partnerships to fulfill our mission. We work closely with Schoolyard Greening

Consortium, DC Environmental Education Consortiums, DC Greens, Farm To School, UDC's Master Gardener program, the DC Public School (DCPS) Local Wellness Advisory Committee, the DC Office of the State Superintendent of Education (OSSE) School Garden Advisory Board, and others.

**Family Garden Days** are monthly classes for all members of the community and their families to join Washington Youth Garden staff in our one-acre fruit and vegetable garden. During this guided, 2 hour program (10am-12pm), families explore garden themes through learning games, nature crafts, garden work, and fresh garden snacks. Activities and content are designed for children 5 and older to do together with parents or adult family members, however self-guided sensory stations will be set up for little ones. Family Garden Days are scheduled

for the 2nd Saturday of each month, March-October, with a suggested donation of cost \$5 per individual. Only 30 spots available per class. Pre-registration required-- click the links below to register or visit Eventbrite. ## **Arcadia Center for Sustainable Food and Agriculture (Mobile Market)**

### **About the Mobile Markets**

Arcadia's Mobile Markets are farm-stands-on-wheels that distribute local, sustainably produced food to underserved communities in the Washington, DC area. To learn more about the program, watch this video featuring the [Mobile Market](#).

The mission of Arcadia's Mobile Markets is to improve access to healthy, affordable food regardless of where you live or how much you earn. The Markets does this by operating regularly scheduled stops in low-income, food-insecure communities; offering high quality, locally grown, sustainably produced farm products at affordable prices; accepting all forms of payment, including food assistance benefits; doubling the purchasing power of food assistance benefits through a "Bonus Bucks" program; and providing educational resources for how to prepare the market's offerings in nutritious, cost-effective, delicious, and easy ways.

# THIS IS ONE LOCATION THAT HAS GRASS FED MEAT AND DAIRY

## Farm To Family Richmond, Virginia ★★★★★ (3 reviews)

We are a full service CSA model operating on Capitol Hill in Washington DC and Richmond, VA. Our CSA features all local and sustainably grown

- vegetables,
- fruit,
- grass-fed meats (including Polyface),
- grass-fed dairy,
- pastured eggs,
- organic/non-gmo soy,
- breads (GF also) and more.

Our main objective is to support local farmers that can't get their product to market so we do the work for them. We pickup all our products directly from the farms and then deliver it to you as fresh as we can get it. Our main DC CSA pickup is located on Capitol Hill, Washington DC at Eastern Market, with 2 neighborhood drops and Home Delivery. We offer 10% off for all current and former military members. We are a veteran owned business and support our troops!
